Problem solving

Effective communicator

Time management

Entrepreneurial background

Experience in remote work

PROFILE

I'm a frontend web designer with a passion for problem-solving and troubleshooting. I have an entrepreneurial background and I am familiar with working remotely. I was also a chief officer for four of my eight years working in the superyacht industry, which gave me experience working with teams of people, delegating tasks and time management.

EXPERIENCE

UI Designer and HTML & CSS Developer

Your African Safari | Remote | October 2019 - present

- Delivered and designed visually compelling web designs with user-friendly UI that is cross-browser compatible and mobile responsive.
- Weekly meetings on Google Hangouts with the owner and back-end developer. Daily updates through Trello.
- Wrote the front-end HTML, CSS and JS for created page designs using Bootstrap 4.
- Collaborated with the back-end developers on GitHub.

Business Owner

Wild Leaf Kombucha | Cape Town, South Africa | June 2018 - present

- Designed the website using UI/UX practices focusing on layouts, buttons, typography, colours and a responsive design using Sketch.
- Branding and package design, which includes the design of the labels, boxes, business cards, promotional content and products.

HTML & CSS Developer

Truesilver | Remote | September 2019 - May 2020

- Writing HTML and CSS code to create webpages from design mockups.
- Worked closely with the owner to ensure the development of the received design was to the correct standard.
- Testing of web pages for cross-browser compatibility.
- Amended any layout issues.

Front End Designer Intern

The School Bell | Remote | August 2019 - January 2020

- Designed with the focus on guiding the user to the CTA's and improved the overall consistency of the layout.
- Researched and implemented SEO improvements.

Co-founder

HDME | Remote | 2017

- Created and managed an online marketplace for handmade goods in South Africa.
- Designed, coded and maintained the website on the Shopify platform.

EDUCATION

Coursera - Graphic design, UI design, UX design | 2020

- Reinforced my knowledge on UI/UX design as well as graphic design.

Free Code Camp | 2019

- Studied HTML, CSS and JavaScript.
